EXPERIENCE

Maasai Mara Technical College — *IT Support Technician*

SEPT 2022 - SEPT 2023

- Assisted the network administrator to enforce user access rights, flagging and restricting access to potentially unwanted and resource intensive sites, which increased internet access speed by 20%.
- Actively participated in the acquisition and setup of a POS system for the institution's food cafe, which reduced payment's related errors by 80%.
- Mobilized the formation of a 'Developers Student's Club' which provided a platform for more than 50 students to share and acquire knowledge on software development, programming and other IT-related topics.

Mutual Solutions Ltd — *Sales Intern*

Jan 2022 - June 2022

- Conducted a survey that led to an effective social media campaign that generated more than 50 leads in a single month.
- Learned how to build rapport with clients, actively communicated with prospects, pitched on products, and subsequently converted leads into sales.

County Gov't of Bomet — *Industrial Attachment*

AUG 2021 - NOV 2021

- Used HTML, CSS and JS to build the landing page for a 'Job Portal System's project for presentation at the end of the attachment period.
- Actively provided technical support to colleagues in other departments and addressed various IT-related issues.

EDUCATION

Chuka University, Diploma in Computer Science — *Distinction*

SEPT 2019 - DEC 2021
